# World's Largest Geothermal Expo Comes to Sacramento in October

**WHAT:** Join the **Geothermal Energy Association (GEA)** at the **2010 Geothermal Energy Expo**, the world's largest gathering of geothermal resource exploration, development, production and management. The Geothermal Energy Expo brings geothermal professionals together to showcase projects, equipment, services, and state of the art technology. Over 150 exhibitors and over 1,500 attendees are expected to attend the expo. As part of the expo GEA will host a Geothermal Job Fair with many companies seeking new talent to enter the growing geothermal field. Complimentary admission is available to college students.

**WHO:** Representatives from:  
**Department of Energy, Geothermal Technologies Program**  
**Department of the Navy, Geothermal Program Office**  
**California Energy Commission**  
**GE Power & Water**  
**Chevron**  
**Toshiba International Corp**  
**Ram Power**  
**Halliburton**  
**Stoel Rives**  
**City of Reno**  
**Islandsbanki**  
**Great Basin Center for Geothermal Energy**  
**Boart Longyear Drilling Services**  
**ThermaSource, LLC**  
**ElectraTherm, Inc**

**WHEN:** October 24-27, 2010

**WHERE:** Sacramento Convention Center  
1400 J Street  
Sacramento, CA 95814

## **About the Geothermal Energy Association:**

*The Geothermal Energy Association (GEA) is a trade association composed of U.S. companies who support the expanded use of geothermal energy and are developing geothermal resources worldwide for electrical power generation and direct-heat uses. GEA advocates for public policies that will promote the development and utilization of geothermal resources, provides a forum for the industry to discuss issues and problems, encourages research and development to improve geothermal technologies, presents industry views to governmental organizations, provides assistance for the export of geothermal goods and services, compiles statistical data about the geothermal industry, and conducts education and outreach projects. For more information, please visit <http://www.geo-energy.org/>. Check out GEA's [YouTube Channel](#). Follow GEA on [Twitter](#). Become a fan on [Facebook](#).*
